

Policy proposal

P01

Mobile Clinics

+ Healthcare

For

– Transport

Against

Fresh Start

When Organise or Rally restores a party absent from the map, place two Support instead of one, together or separately. Place both if possible; otherwise place one.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P02

Transport Hubs

+ Transport

For

– Healthcare

Against

Established Networks

Organise may move between any two districts already containing acting-party Support, regardless of distance.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P03

Hospital Accountability

+ Healthcare

For

– Education

Against

Crowded Airwaves

Smear may target any full district, regardless of acting-party presence or distance.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P04

Common Curriculum

+ Education

For

– Healthcare

Against

Muted Priorities

At final scoring, each firm treats its printed 6-point issue as worth 4 for both gains and losses. Party votes do not change.

Pass: For > Against · Global law
Each distinct effect once per card action

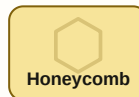

Policy proposal

P05

Community Care Routes

+ Healthcare

For

– Housing

Against

Chain Migration

After Organise moves Support, move a different acting-party Support from a neighboring district into a spot vacated in the source district.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P06

New Estate Outreach

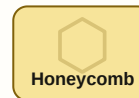

+ Housing

For

– Healthcare

Against

New Constituencies

Rally may place its Support anywhere in its source region, provided the destination has no acting-party Support.

Pass: For > Against · Global law
Each distinct effect once per card action

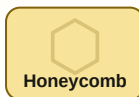

Policy proposal

P07

Universal Care Charter

+ Healthcare

For

– Environment

Against

Broad Interests

At final scoring, each firm treats its printed 1-point issue as worth 3 for both gains and losses. Party votes do not change.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P08

Clean Air Relocation

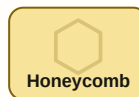

+ Environment

For

– Healthcare

Against

Displacement

Instead of removing its target, Smear may move that Support to a free spot in a neighboring district.

Pass: For > Against · Global law
Each distinct effect once per card action

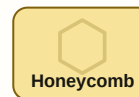

Policy proposal

P09

Emergency Recruitment

+ Healthcare

For

– Fiscal

Against

Fresh Start

When Organise or Rally restores a party absent from the map, place two Support instead of one, together or separately. Place both if possible; otherwise place one.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal

P10

Spending Restraint

+ Fiscal

For

– Healthcare

Against

Muted Priorities

At final scoring, each firm treats its printed 6-point issue as worth 4 for both gains and losses. Party votes do not change.

Pass: For > Against · Global law
Each distinct effect once per card action

Policy proposal
