HONEYCOMB

Waggle Route

Resolve Organise. Then add another acting-party Support to a free spot in the destination district.

REV 27

HONEYCOMB

Common Cause

Choose a district containing another party that shares Honeycomb's vote on its pending policy. Add one Honeycomb Support and one of that party's Support there. Requires two free spots.

REV 27

HONEYCOMB

Every Bee Counts

Add acting-party Support to every district that contains exactly one acting-party Support and has a free spot.

REV 27

OLD SHELL

Dig In

Resolve a movement Organise. Then add acting-party Support to the vacated source spot if possible; skip if full. Cannot recover an absent party.

REV 27

OLD SHELL

Stonewall

Resolve Smear. Then remove a second Support belonging to that rival from the same district.

REV 27

OLD SHELL

Institutional Memory

Choose a region and For or Against its pending policy. Add one Support of each party voting that way to that region, wherever space permits. Add at least one Support.

REV 27

FOXGLOVE

Spin

Resolve Smear. Then add acting-party Support to the spot vacated by the removed rival Support.

REV 27

FOXGLOVE

Whisper Network

Choose a district containing acting-party Support. Move one rival Support from there to a neighboring district with a free spot.

REV 27

FOXGLOVE

Shell Firm

Move the acting party's Firm marker and entire Operation pile to another party without a Firm marker. End this Lobby action.

REV 27

RIVERWORKS

Canal Network

Move any number of acting-party Support from one district to another with enough free spots, along a connected route. Each intermediate district must contain acting-party Support.

REV 27

RIVERWORKS

Public Works

Resolve Rally. Then add acting-party Support to a free spot in a neighboring district.

REV 27

RIVERWORKS

Mass Transit

Choose a chain of two to five neighboring districts with a free spot at one end. Move one Support of your choice from each other district one step toward that end.

REV 27

MANY WINGS

Scatter the Flock

Resolve Rally. Then move as many acting-party Support as possible from that district into different neighboring districts with free spots, one per district. At least one must move.

REV 27

MANY WINGS

Joint Campaign

Choose a region's pending policy and For or Against. Move up to three Support voting that way into one district in that region, each from a neighboring district. Requires room; move at least one.

REV 27

MANY WINGS

Empty Every Nest

Move one acting-party Support from as many districts with two or more as possible. Each must go to a different district with a free spot and no acting-party Support.

REV 27

NIGHT PARLIAMENT

Quiet Hours

Resolve Rally. Then add acting-party Support to an otherwise empty district, including an empty Bellwether Centre.

REV 27

NIGHT PARLIAMENT

Midnight Leak

Resolve Smear. Then remove one additional Support of the same rival party from a district neighboring the Smear target district, if possible.

REV 27

NIGHT PARLIAMENT

Midnight Session

Choose a closed party. Place one of your returned Firm markers there. That party opens with an empty Operation pile.

REV 27
