RALLY

COALITION

Reciprocal overtures only.

ORGANISE BONUS

### Leave a Cell Behind

Ready

After moving Support, add one Honeycomb Support to the vacated source spot. If Honeycomb had no Support before the baseline, add a second Honeycomb Support to a free spot in the destination district instead.

RALLY BONUS

### Swarm

Ready

Add a second Honeycomb Support to another free spot in the Rally district.

### Stonewall

Ready

Remove a second Support belonging to the same rival from the same district.

COURT BONUS

### Binding Pact

Ready

After successfully redirecting Old Shell's overture, reinforce it with the Shell marker. The next Court token that would redirect the reinforced overture removes the Shell marker instead and does not redirect it.

COALITION

Reciprocal overtures only.

ORGANISE BONUS

### Slip Away

When moving Foxglove Support, choose any free spot on the map instead of a neighboring free spot. If Foxglove had no Support before the baseline, Organise already permits placement in any free spot and Slip Away cannot be claimed.

Ready

SMEAR BONUS

### Spin

After removing rival Support, add one Foxglove Support to the vacated spot.
